DR. ROHINI KANTA BARUA LAW COLLEGE ALUMNI ASSOCIATION

The Alumni Association of Dr. Rohini Kanta Barua Law College was formed on July 13, 2022, with the aim of bringing together former students, faculties, and well-wishers. Further, to establish a unique identity, the association adopted an official logo, designed by Master Arunav Bordoloi, son of Mr. Srimanta Bordoloi, an alumnus of the college. A major milestone for the association was its registration under the Societies Registration Act, 1860, making it a recognized body. To bring all the alumni together, the association conducted the first alumni meet named “CONGREGO,” on September 9, 2023. This proved to be a successful event as it created a great opportunity for alumni and faculty to reunite, share memories, and strengthen their connection with the college. Additionally, to keep all the alumni together, regardless of their geographic location, a webpage was created under the domain name <https://www.rkbalumni.in>, which is now linked with the college’s official website. This platform helps alumni stay informed about events and initiatives taking place in the college. Time and again, the association has engaged itself in the overall development of the college. A notable contribution was the construction of the college’s Main Gate, which was made possible only through generous donations from the alumni members. The work of the association does not end here, as it continues to enhance the academic environment of the college by regularly organizing talk series featuring judges, senior advocates, and legal experts, offering students and faculty valuable insights into the field of law and professional ethics.
